You can opt out at any time.

   If no, automatically update my information for the next:

If you don't agree with what you qualify for, in many cases, you can ask for an appeal. Please review your eligibility notice to find appeals instructions specific to each person in your household who applies for coverage, including how many days you have to request an appeal. Here's important information to consider when requesting an appeal:

- You can have someone request or participate in your appeal if you want to. That person can be a friend, relative, lawyer, or other individual. Or, you can request and participate in your appeal on your own.
- If you request an appeal, you may be able to keep your eligibility for coverage while your appeal is pending.
- The outcome of an appeal could change the eligibility of other members of your household.
