Family & household

We need to know about everyone included on your same federal income tax return and all family members who live with you, even if they're not applying for health coverage.

We'll match you with programs based on your income and family size, so we need this information to make sure you get the most help possible.

All fields are required unless they're marked optional.

You may need:

- Social Security numbers (or document numbers for any people with eligible immigration status who need coverage)
- Birth dates

Attesting to and Verifying Citizenship Status

- Attestations of U.S. citizenship will be checked against Social Security Administration (SSA) data, using SSNs
- If verification is not successful for naturalized or derived citizens through SSA match, then will be checked against DHS
- If so, consumers will be asked to provide:
 - A#, and
 - Either a naturalization certificate number or a certificate of citizenship number
 - If the documents are unavailable, they can upload or mail in other proof of citizenship such as a U.S. passport
